Agenda and proposed resolutions

A. Extraordinary general meeting

These resolutions can be validly adopted if the shareholders present or represented at the Meeting represent at least half of the capital, subject to the approval by at least 75% of the votes cast.

1. Mandate regarding the authorised capital

- 1.1 Acknowledgement of the Board of Directors' report drawn up in application of Article 7:199 of the Belgian Code of companies and associations (the **BCCA**) with regard to the renewal of the authorised capital, in which the special circumstances are described under which the authorised capital can be used and the intended aims thereof.

Given the fact that it only concerns an acknowledgement, no proposed resolution is included.

- 1.2 Proposed resolution: the Meeting resolves to renew the existing mandate regarding the authorised capital and to grant a new mandate to the Board of Directors of the Company to, in accordance with the proposal included in the report of the Board of Directors and within the constraints of the mandatory company law provisions, increase the Company's capital on the dates and subject to the conditions it will determine, on one or more occasions:

i. If the capital increase to be realised is a capital increase in cash with the option for the shareholders of the Company to exercise their preferential right or irreducible allocation right (as meant in the RREC Legislation (as defined in Article 1 of the articles of association)), up to a maximum amount of 50% of the capital amount on the date of the Extraordinary General Meeting;

ii. If the capital increase to be realised is a capital increase within the context of the distribution of an optional dividend, up to a maximum amount of 50% of the capital amount on the date of the Extraordinary General Meeting; and

iii. If the capital increase to be realised is (a) a capital increase by contribution in kind, or (b) a capital increase by a contribution in cash without the option for the shareholders of the Company to exercise their preferential right or irreducible allocation right (as meant in the RREC Legislation), or (c) a capital increase in any other form,

A) in principal order, up to a maximum amount of 20% of the capital amount on the date of the Extraordinary General Meeting,

B) if the Meeting does not approve the proposal under iii.A), up to a maximum amount of 10% of the capital amount on the date of the Extraordinary General Meeting,

with the understanding that the capital within the framework of the authorised capital cannot be increased by an amount that exceeds the amount of the capital on the date of the Extraordinary General Meeting, in other words that the sum of the capital increases with application of the proposed mandate included under sub-agenda items 1.2.i, 1.2.ii and 1.2.iii in total cannot exceed the capital amount on the date of the Extraordinary General Meeting,

and therefore resolves to amend Article 8 of the articles of association accordingly, as follows:

“ARTICLE 8. AUTHORISED CAPITAL

The board of directors is authorised, within the constraints of the mandatory provisions contained in the applicable company law, to increase the share capital on the dates and subject to the conditions that it specifies, in one or more increments, up to a maximum amount of:

I. [[to be completed: 50% of the amount of the capital on the date of the Extraordinary General Meeting, rounded down to the nearest eurocent], if the capital increase to be realised is a capital increase in cash with the option for the company’s shareholders to exercise their preferential right or irreducible allocation right (as referred to in the RREC Legislation (as defined in Article 1 of the articles of association))]¹; and

II. [[to be completed: 50% of the amount of the capital on the date of the Extraordinary General Meeting, rounded down to the nearest eurocent], if the capital increase to be realised involves the distribution of an optional dividend]²; and

III. [[to be completed: [20%³ or 10%⁴] of the amount of the capital on the date of the Extraordinary General Meeting, rounded down to the nearest eurocent], if the capital increase to be realised is (a) a capital increase in kind, or (b) a capital increase in cash without the option for the company’s shareholders to exercise their preferential right or irreducible allocation right (as referred to in the RREC Legislation), or (c) any other kind of capital increase]⁵;

with the understanding that the capital will not be allowed to increase within the context of this mandate by an amount that exceeds the amount of the capital on the date of the extraordinary general meeting that approves the mandate.

This mandate is valid for a period of two years from the publication of the minutes of the extraordinary general meeting that approves the mandate.

This mandate is renewable.

Capital increases can be carried out via contribution in cash, contribution in kind or conversion of reserves, including profits carried forward and issue premiums as well as all of the equity components in the company’s individual IFRS financial statements which are convertible into capital, possibly with issuance of shares or other securities (of any existing

¹ This paragraph will only be added to the articles of association if the Meeting approves the proposal under sub-agenda item 1.2.i, and to the extent that sub-agenda items 1.2.ii and 1.2.iii.A), or if applicable B) are individually approved, as well as to the extent that the new text of Article 8 of the articles of association is adopted.

² This paragraph will only be added to the articles of association if the Meeting approves the proposal under sub-agenda item 1.2.ii, and to the extent that sub-agenda items 1.2.i and 1.2.iii.A), or if applicable B) are individually approved, as well as to the extent that the new text of Article 8 of the articles of association is adopted.

³ If the Meeting approves the proposal under sub-agenda item 1.2.iii.A), and to the extent that sub-agenda items 1.2.i and 1.2.ii are individually approved, as well as to the extent that the new text of Article 8 of the articles of association is adopted.

⁴ If the Meeting approves the proposal under sub-agenda item 1.2.iii.B), and to the extent that sub-agenda items 1.2.i and 1.2.ii are individually approved, as well as to the extent that the new text of Article 8 of the articles of association is adopted.

⁵ This paragraph will only be added to the articles of association if the Meeting approves the proposal under sub-agenda item 1.2.iii.A) or B), and to the extent that sub-agenda items 1.2.i and 1.2.ii are individually approved, as well as to the extent that the new text of Article 8 of the articles of association is adopted.

kind), in accordance with the mandatory provisions set out in the applicable company law and the RREC Legislation, as amended from time to time. The board of directors can decide on capital increases below, above, or at the par value of the existing shares of the same kind.

Any issue premiums, as the case may be after deduction of an amount that does not exceed the cost of the capital increase in the meaning of the applicable IFRS rules, will be shown in one or more separate accounts under equity in the liabilities on the balance sheet and will thus be available for distribution. The board of directors is free to decide to place any issue premiums, as the case may be after deduction of an amount that does not exceed the cost of the capital increase in the meaning of the applicable IFRS rules, into an unavailable account, which cannot under any circumstances be reduced or abolished except by a resolution of the general meeting voting as for an amendment to the articles of association (except in the case of the conversion into capital by the board of directors).

The board of directors cannot only create or issue shares (of any existing kind), but also subscription rights (which may be attached to another security), convertible bonds, bonds repayable in shares, or other securities, while complying at all times with the mandatory provisions set out in the applicable company law and RREC Legislation, as amended from time to time.

Without prejudice to the application of mandatory provisions of the applicable company law and RREC Legislation, as amended from time to time, in this process the board of directors may limit or cancel preferential rights, even if this benefits one or more particular persons other than employees.

The board of directors has the power to amend the company's articles of association in line with the capital increase(s) that was(were) realised within the context of the authorised capital.”

This proposed mandate will be given for a period of two years to be calculated from the day the minutes of the Extraordinary General Meeting are published in the Annexes to the Belgian State Gazette. From that date, the existing mandate regarding the authorised capital that was given by the extraordinary general meeting by decision of 30 April 2025 will expire, and will be replaced by the proposed mandate. To be clear, it is specified that the proposal will only be deemed approved if all sub-agenda items 1.2.i, 1.2.ii, and 1.2.iii (A), or if applicable B)), are individually approved and if the new text of Article 8 of the articles of association is adopted. If the Extraordinary General Meeting does not approve the proposal (for all sub-agenda items 1.2.i, 1.2.ii, and 1.2.iii, as well as for the new text of Article 8 of the articles of association), the existing mandate granted by the extraordinary general meeting's resolution of 30 April 2025 will remain in force.

The FSMA has approved the proposed amendments to the articles of association on 24 March 2026.

The Board of Directors invites the shareholders to approve this proposed resolution, it being understood that (i) each of the sub-agenda items 1.2.i, 1.2.ii and 1.2.iii will be voted on separately, whereby for sub-agenda item 1.2.iii, a vote on item B) will be

WDP

taken only if item A) is not approved, and (ii) the new text of Article 8 of the articles of association will be voted on to the extent that all sub-agenda items 1.2.i, 1.2.ii and 1.2.iii A), or if applicable B) are approved individually.

their independence, within the meaning of Article 7:87 BCCA, into question.

9.1. Appointment of Barbara Bajorat as non-executive and independent director.

The Meeting resolves that his mandate shall be remunerated in accordance with the remuneration policy.

10. Acknowledgement of the composition of the Board of Directors following the resolutions above.

Given the fact that it only concerns an acknowledgement, no proposed resolution is included.

11. Advisory vote on the remuneration report, which constitutes a specific part of the corporate governance statement included in the annual report of the Company.

Proposed resolution: The Meeting approves the remuneration report, which constitutes a specific part of the corporate governance statement included in the annual report.

12. Approval of the remuneration policy, which constitutes a specific part of the Corporate Governance Charter.

Proposed resolution: The Meeting approves the remuneration policy, which constitutes a specific part of the Company's Corporate Governance Charter (more specifically Chapter 7).

On the occasion of the annual review of the remuneration policy and in line with the decision-making process set out in the remuneration policy, the Board of Directors – on the advice of the Remuneration Committee – decided on 26 January 2026 to make limited amendments to the remuneration policy and submit it to the General Meeting for approval. This is primarily the result of the internationalisation of the Board of Directors, which requires a number of

WDP

adjustments in terms of remuneration (see also agenda items 13 to 15). In addition, we are making clarifications to ensure the remuneration policy remains compatible with new (future) business plans; in that sense, the description is now formulated in more abstract terms. The proposed remuneration policy continues to be based on the same remuneration principles as before and therefore remains fully aligned with WDP's strategy.

13. Approval of the remuneration of the non-executive directors, excluding the chair of the Board of Directors.

Proposed resolution: The Meeting approves the increase of the annual fixed remuneration for the non-executive directors, excluding the chair of the Board of Directors, from 55,000 euros to 60,000 euros (each time including expense allowance).

14. Approval of the remuneration of the chair of the Board of Directors.

Proposed resolution: The Meeting approves the increase of the annual fixed remuneration for the chair of the Board of Directors from 110,000 euros to 120,000 euros (each time including expense allowance).

15. Approval of the additional remuneration of the chair of the Audit Committee.

Proposed resolution: The Meeting approves the granting of an annual additional remuneration of 10,000 euros to the chair of the Audit Committee.

With regard to agenda items 13, 14 and 15: In accordance with the remuneration policy, the remuneration of the directors must be determined in such a way that the Company can attract and retain directors with the requisite experience, knowledge and competence, taking into account market practices as well as the Company's long-term objectives. In view of the further internationalisation of the WDP Group, the complexity of governance, compliance and reporting obligations is increasing noticeably. For the directors, this translates into a greater time commitment for preparation, coordination and participation in meetings, as well as additional requirements in terms of knowledge of international markets and regulations. The Board of Directors therefore considers a market-aligned increase in remuneration to be appropriate. The higher remuneration for the chair of the Board of Directors also reflects his additional responsibilities in terms of leadership and coordination, while the annual additional remuneration for the chair of the Audit Committee compensates for the increased workload and specific expertise associated with overseeing financial reporting, internal control, risks and audit processes.

WDP

16. Approval, pursuant to Article 7:151 BCCA, of the clauses granting rights to third parties in connection with a change of control.

16.1. - Credit agreement of 19 December 2025 between the Company and KBC Bank for a total amount of 50 million euros.

16.2. Proposed resolution: Approval, pursuant to Article 7:151 BCCA, of all clauses of the information memorandum dated 3 October 2025 relating to the Company's Euro Medium Term Note (EMTN) programme for a total amount of 3 billion euros, under which the Company at the request of a bondholder must immediately repay the relevant bond loan, where applicable increased by accrued interest and all other amounts acquired or outstanding under the relevant bond loan.

16.3. Proposed resolution: Approval, pursuant to Article 7:151 BCCA, of all clauses of credit agreements entered into between the date of the convocation to the Meeting and the actual session of the Meeting (and which, if applicable, shall be explained during the Meeting and shall be included in the minutes, which are also publicly available on WDP's website), insofar as such clauses are in line with the clauses with regard to changes in control which until today were already approved by the general meeting pursuant to Article 7:151 BCCA.
