The WDP Annual Report 2024 can be consulted online.

Responsive. Effective. Ready. That is how WDP demonstrated agility last year in a volatile macro environment thanks to a proactive investment strategy and a strong long-term vision. And this shows how the successful roll out of the #BLEND2027 growth plan continues to prove its effectiveness with WDP navigating confidently towards its 2027 earnings target. The year 2024 was outstanding with strong earnings growth and an historic investment volume heading towards a 10+ billion euros European platform. In this anniversary year, celebrating 25 years of listing, we look back at impressive achievements, earnings growth per share and return on equity.

The notes to the WDP annual results, as published on 30 January 2025, are still available online via the webcast.
