

Publication of a transparency notification

(Article 14, first paragraph, of the law of 2 may 2007 regarding the disclosure of major holdings)

WDP announces having received a transparency notification dated 26 June 2025, following a transaction by RTKA Maatschap on 25 June 2025, reporting an undershoot of the 20% participation threshold in respect of voting rights attached to shares.

As a result, the total percentage of voting rights has slightly decreased from 20.68% to 19.39%.

This press release, the notification as well as the shareholder structure can be consulted on the [website](#) of WDP.

“Our family continues to support WDP unconditionally as long-term reference shareholder. We fully endorse the company's vision and strategy. As previously announced, we are preparing the gradual transfer of our family estate to the next generation. To that end, we partly reduce our limited debt position upon its scheduled maturity date this year through the sale of this limited number of WDP shares, ensuring our continued support for WDP in its growth trajectory.

Tony De Pauw – Manager RTKA maatschap

The transparency notification for the transaction on dated 25 June 2025 contains the following information:

- Reason for the notification: acquisition or disposal of voting securities or voting rights. Crossing of a threshold by persons acting in concert Termination of an agreement to act in concert
