Intention for private placement of WDP shares

WDP has been informed that a package of WDP shares issued earlier this morning for the acquisition of the Asse site, will be sold today by means of KBC Securities NV as part of a private placement with institutional investors.

As a result, trading in WDP shares on Euronext Brussels and Amsterdam will be postponed for today until the results of this private placement are announced in a press release.

As a WDP reference shareholder, the Jos De Pauw family (by means of the management body RTKA) intends to place a trade during the private placement at the price resulting from this private placement, in order to maintain their current stake of 25% in WDP. The selling shareholder and the Jos De Pauw family have agreed that these shares will be assigned to the Jos De Pauw family. That way the family will still hold 25% of the shares in WDP after the placement.
